

Activity

Keep track of your money and your spending

Each time you save, or spend, write it down so you can look back and think about how to save even more.

Example

My Savings

Date	Deposit	Withdrawal	Total
18 / 7 / 18	£15.00	£-	£15.00
19 / 7 / 18	£-	£5.00	£10.00

Example

My Spending

Date	I bought....	It cost....	Like/Dislike
19/7/18	Fidget spinner	£3.00	 
19/7/18	Windmill - it broke	£2.00	 

When you buy something that wasn't worth it, or you weren't happy with, colour the thumb-down so you can look back and remember not to buy it again. Every penny counts when you are saving for something important
