

Knowledge

Take a closer look - British Coins.

Since 2008, coins have made up the Royal Coat of Arms.

The 3 lions in the top left is England.

The Rampant Griffin in top right is Scotland.

The Harp in the bottom left is Ireland.

The 3 lions in the bottom right is England.

The Royal Coat of Arms was introduced to the UK in 1837 when Queen Victoria took the British throne. This new design was designed by Matt Dent who won a competition, beating 4,000 other artists.

Rose, Leek, Thistle and clover inside a royal crown

Portcullis

Tudor rose with a royal crown on top

Lion of England

Britannia

Thistle of Scotland

3 Ostrich Feathers

Collect different coins together

- See if you can find any other designs?
- Lay a sheet of paper over your coins and rub with wax crayon or soft pencil crayon - you will get the design on your paper - label each with their name.
- Make a list of the designs for the different values of coins.
